

Congress Landfill Facility Rules

The following rules and procedures must be followed by all vehicles that enter the Congress Landfill. These rules are in place to provide a safe environment for our employees and guests.

- No children under 16 years old are allowed out of the vehicle
- No smoking is allowed on site
- Heavy equipment has the right-of-way
- Personal Protective Equipment (PPE) must be worn at all times when out of the vehicle
- PPE must be the outer most layer of clothing
- All visitors must check in at the main office
- Obey posted speed limits
